The Mystery of the Missing Sunglasses

All of the emojis know Cool Emoji. He's a calm and relaxed guy who's often being kind and helpful. Everyone knows him by the trademark sunglasses he always wears, whatever the weather.

On a hot and sunny day, Cool Emoji went for a swim to cool down. But while he was swimming, something awful happened... Another emoji stole his sunglasses from the side of the pool! Now Cool Emoji is too upset to even leave the house, saying that it's too bright outside and no one will recognise him without his shades!

As Chief Detective on the case, it is your job to find out which emoji took Cool Emoji's sunglasses. You have taken down the names and descriptions of ten emojis who were at the swimming pool when the sunglasses disappeared. You also have five important clues to find along the way.

To crack the case, you will need to solve each clue and check the information with the list of names. Will you be able to solve the mystery and find out who stole the sunglasses?

Good luck!
