

Problem

- Here the main characters have to face the problem or dilemma
- The focus should be on fast paced plot here

Build Up

- Here you introduce what problem or problems the main characters have to overcome
- Continue to describe the setting but introduce more plot and dialogue between the characters

Resolution

- What is the result of the main characters after facing the problem or dilemma
- What has changed?

Story Mountain

Opening

- Describe the setting
- Introduce the main characters

Ending

- What are the main characters going to do now
- What have they learnt
- Is the moral or theme of the story obvious, i.e. what have they learnt?
