

Nursery

Week Beginning: 6th April 2020

This is a suggested plan as it can help your child to have a routine. Please don't feel that you need to do all the suggested activities, be guided by your child and support them to learn through their play. Try and keep bedtime and mealtimes at the normal time and get up early in the morning as this would also help your child.

8.30-9.00 Breakfast and story time-story of the week is 'Peter Rabbit-A Peep Inside Tale' see link on the home learning page of Mrs Hazelwood sharing this story.

9.00-9.30 Physical activity- Andy's Wild Workouts, Series 1:1 Under the Sea on BBC iplayer or search Joe Wicks family PE lesson. (These are taking place at 9.00am every morning)

9.30-11.00 Learning through play (see below for suggestions of activities you could do with your child)

11.00-12.00 Outdoor play (see below for suggestions of activities you could do with your child)

12.00-1.30 Lunchtime

Can your child help you prepare lunch for example can you support them to chop vegetables? Can they set the table and count how many forks, knives etc they will need? After lunch can your child help you wash the dishes and put things away. They will love the responsibility of helping you. They could also help you with other household jobs like dusting, folding washing, putting clothes away, pairing socks etc.

1.30-2.00 Sing songs and rhyme of the week and practice counting to 10-(see ideas below)

2.00-3.30 Learning through play (see below for suggestions of activities you could do with your child)

3.30-4.30 Family walk around the local area (see ideas below)

4.30-5.30 Dinner time- Can your child help you prepare for dinner?

5.30-6.00 Cuddle up for a story with someone in your family

Learning through play ideas

Support your child to write their name. This is in your learning packs. You could use felt tips, pencils, shaving foam or use chalk outside.

Can your child retell the story of 'Peter Rabbit' to you?

Can they talk about what happens?

Can they talk about how the rabbit feels at the different points?

Make some playdough with your child. See recipe below and ideas for things you could do with the playdough.

Can you make chocolate rice crispy cakes or nests with your child?
(See Below)

Use the template of the Easter egg or draw your own. Can you design your own egg? Email us a photo of your egg, we would love to see it!
Email us on Nursery@rgntpark.bham.sch.uk with all your lovely work!

Can you make your own set of bunny ears?

Can you help your child to develop their pencil control by using the pencil control sheets (see link on Home Learning page)

Can you encourage your child to hold their pencil correctly?- (ask you child to do the crocodile snap to hold their pencil)

Outdoor learning ideas including family walk

Can you do an egg and spoon race with the family? What other races could you do for example a running, hopping or skipping race.

Set up your own Easter egg hunt. Can you hide an egg in your garden and write little clues for your child to read with you and follow the instructions to find the egg?

Continue to look at signs that Spring is here when you go on a family walk. Listen to the birds singing, buds appearing in the trees.
Talk to your child about the flowers in your garden or local area starting to bloom and the new colours they can see.

Can you do some painting outside. Use carrots or resources you have available to do printing with different colours. (see below for more detail)

Call out a number. Can your child hop or jump that many times?

Rhyme/poem of the week

Songs to sing together

Hot Cross Buns

Hot cross buns,
Hot cross buns,
One a penny,
Two a penny,
Hot cross buns.

If you have no daughters,
Give them to your sons,
One a penny,
Two a penny,
Hot cross buns.

See link of Mrs Hazelwood singing on the home learning page. Can you change the words to the sleeping bunny song so each time the bunny does something different for example hop, skip, jump. Can you help your child count how many times they do the actions.

This is the way we wash our hands,
Wash our hands,
Wash our hands
This is the way we wash our hands
To STOP Corona virus

Rhyme:

Five little butterflies by the door.
One flew away, then there were four.
Four little butterflies by the tree.
One flew away, then there were three.
Three little butterflies up in the blue.
One flew away, then there were two.
Two little butterflies out in the sun.
One flew away, then there was one.
One little butterfly now all alone.
She was so lonely, she flew home.
