Reception Topic Plan
Week beginning: 20.4.2020 Topic: Are we there yet?

Weekly Maths Tasks (Aim to do 1 per day)	Weekly Reading Tasks (Aim to do 1 per day)
○ In Reception we follow White Rose Maths. Use the link to access some simple maths lessons that you can do with your child at home. https://whiterosemaths.com/homelearning/early-years/ This week it is all about the book Supertato ○ Can you count to twenty? Have a go, then watch the Numberblocks episode all about counting to 20. https://www.bbc.co.uk/iplayer/episode/m0006s5g/numberblocks-series-4-14-i-can-count-to-twenty How many different ways can you count to twenty? ○ Have a go at writing numbers 1-20 ○ Play the Curious George missing number game. https://pbskids.org/curiousgeorge/busyday/apples/ ○ Have a look at the patterns below. Can you complete these patterns or make one of your own? Send us a picture of your pattern to the Reception email address.	• **Use your toys at home to tell a story. Once the story has finished you can ask questions about the story, or questions that will extend the story.** **What happens to (character)?** **Why did they do?**  • Children to read to parents daily. Visit Bug club on our school website. Click here to log in: https://www.activelearnprimary.co.uk/login?c=0 • Listen to an audio book online. Click here to choose a story to listen to: https://stories.audible.com/start-listen

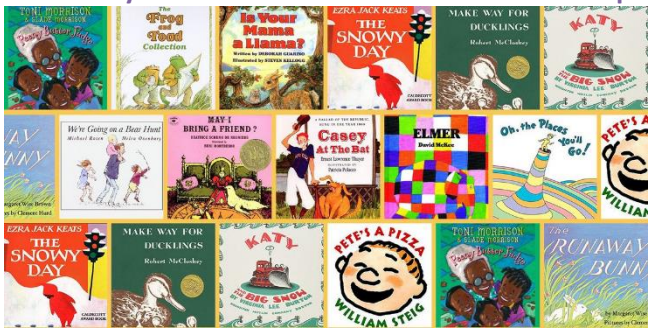

- **Read a variety of books at home. Favourites can be repeated.**

Weekly Phonics Tasks (Aim to do 1 per day)

Make an alphabet car park for your vehicles and park them in the correct spaces!

Watch an episode of Alphablocks

https://www.bbc.co.uk/cbeebies/shows/alphablocks

Weekly Writing Tasks (Aim to do 1 per day)

- Look outside the window. Can you see any different types of vehicles, a car, van, bike? Draw a picture and write about it.

- Watch the video clip about the different ways children get to school around the world.

Focus on a phoneme and find objects around the house that begin with the phoneme, eg c...cup, car,
Can children write a list of the different objects they find?
Have a go at reading and writing these common exception words:

Was you they all are

Can you put them in a sentence?

https://www.youtube.com/watch?v=IhMk0_1BT3c

Discuss similarities and differences. Can your child write about how they get to school, the shops, the park. Do you walk, go in a car, go on a bus?

- Watch/read the story of the three billygoats gruff. How did the goats travel to the other side? What did they use? Can your child rewrite the story? https://www.youtube.com/watch?v=3QzT1sq6kCY

- Can your child design their own method of transport and label it, maybe a flying car! Or a magical horse and carriage!

- Listen to the story- An usual form of Transport https://www.bbc.co.uk/cbeebies/radio/ten-pieces-unusual-form-of-transport

Have a discussion with your child, how did Paul get to school? What other animals were in the story? Can your child draw a picture of Paul on his journey and write about what he did.

Learning Project - To be done throughout the week

Make different vehicles using boxes and packaging that you have at home – can you write a label for them?

Use paper and cardboard to make tunnels and bridges for your cars and trucks

Look out of the window and count how many cars you see. What colours are they? Can you record this information?

Car Colour Survey

Make a tally chart to show the different car colours you see driving past.

Colour	Tally	Total
Red		
Blue		
Green

PE and Outdoor learning
Take your toy cars and bikes and scooters outside and make your very own carwash. Look outside from your window or go on a walk with an adult, count how many cars you see. Each time you see one do a star jump. Can you create an obstacle course in your garden? It could include walking for 4 steps, then do 4 star jumps and then 5 bunny hops. Try and do some form of exercise everyday. Have a go at some yoga for children. https://www.youtube.com/user/CosmicKidsYoga
