Plants

Observing Plants
twinkl

Aim

- I can look closely at plants and trees and record what I see.

Success Criteria

- I can look closely at plants and trees.
- I can record what I see by writing, drawing and measuring.
- I can label the main parts of plants and trees.

Parts of a Flowering Plant

What do you know about the parts of plants?

You have **one minute** to put the plants back together and label the parts.

On your marks…

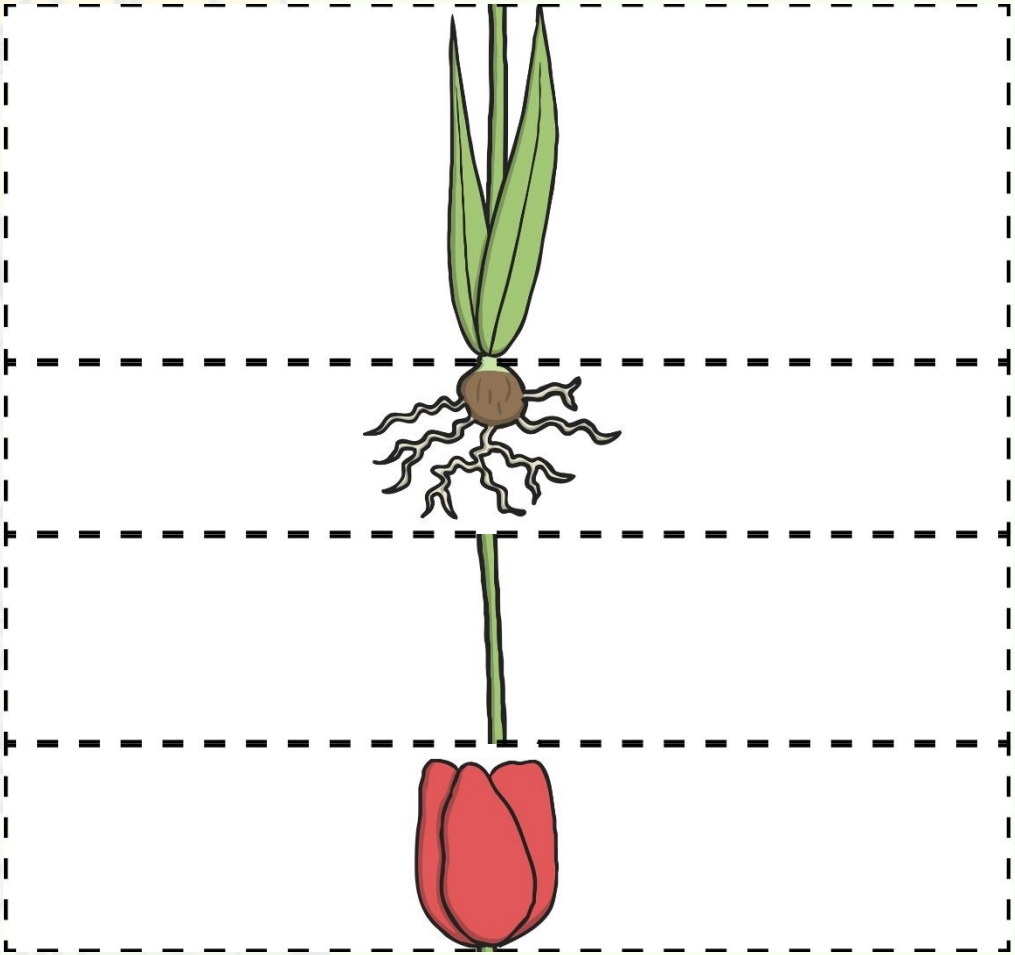

Get set…

GO!

Observing Plants

We are going on an outside walk to see what plants and trees we can find.

Observing Plants

Tree Observation

Tree Diagram: Draw a picture of an interesting tree. Label the main parts.

Leaf Observational Drawing: Find a leaf from the tree you have drawn. Look at it carefully with a magnifying glass and draw what you see.

Measurements: Measure the leaf with a ruler.

The leaf is _____ cm long.

The leaf is _____ cm wide.

Observing Plants

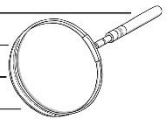

Flowering Plant Observation

Choose an interesting flowering plant. Look at it closely.

Draw the plant and label the different parts.

Write a description of the plant.

twinkl.co.uk

What Did We See?

What interesting plants and trees did you find?

Tell your partner all about them, and listen carefully while they tell you about theirs.

Aim

- I can look closely at plants and trees and record what I see.

Success Criteria

- I can look closely at plants and trees.
- I can record what I see by writing, drawing and measuring.
- I can label the main parts of plants and trees.
