

**What is it like when
you are really
quiet?**

Let's find out.

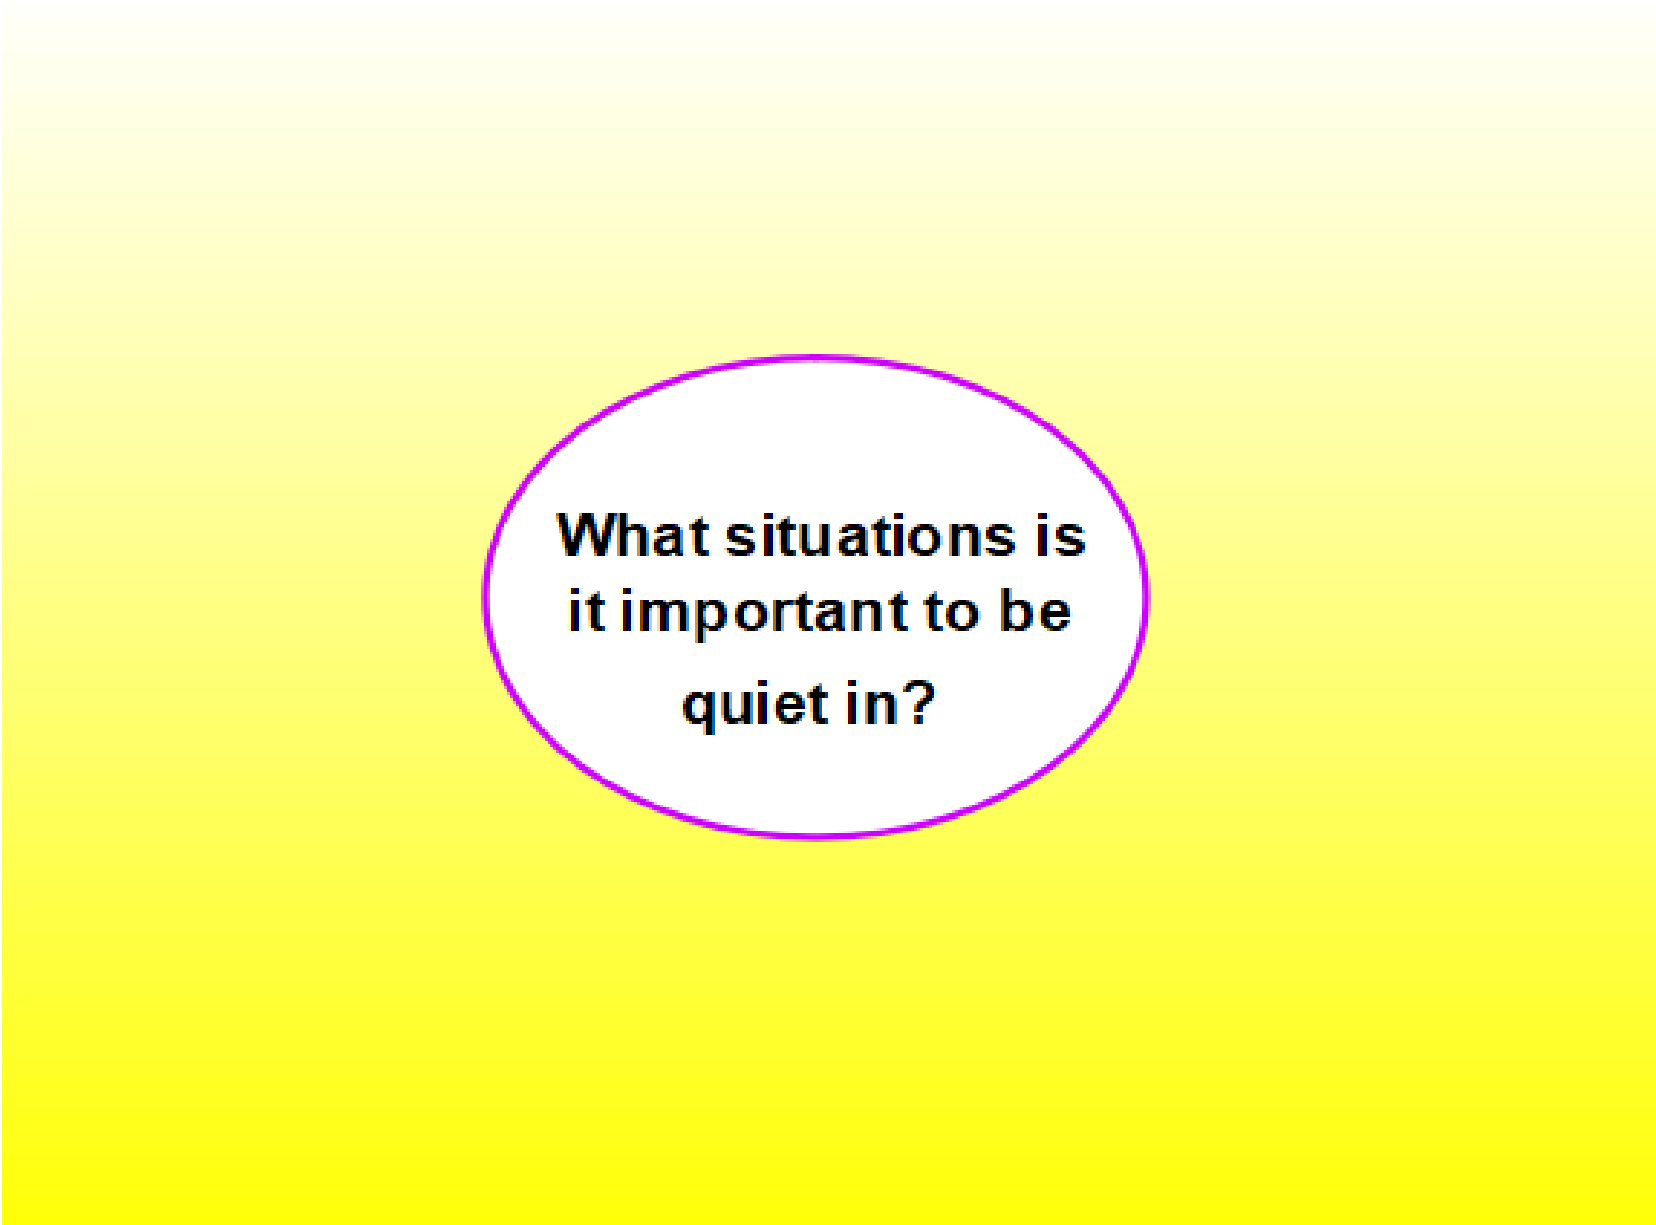

**We are going to have a 1
minute silence.**

What can you hear?

How do you feel?

What are you thinking
about when you are quiet?

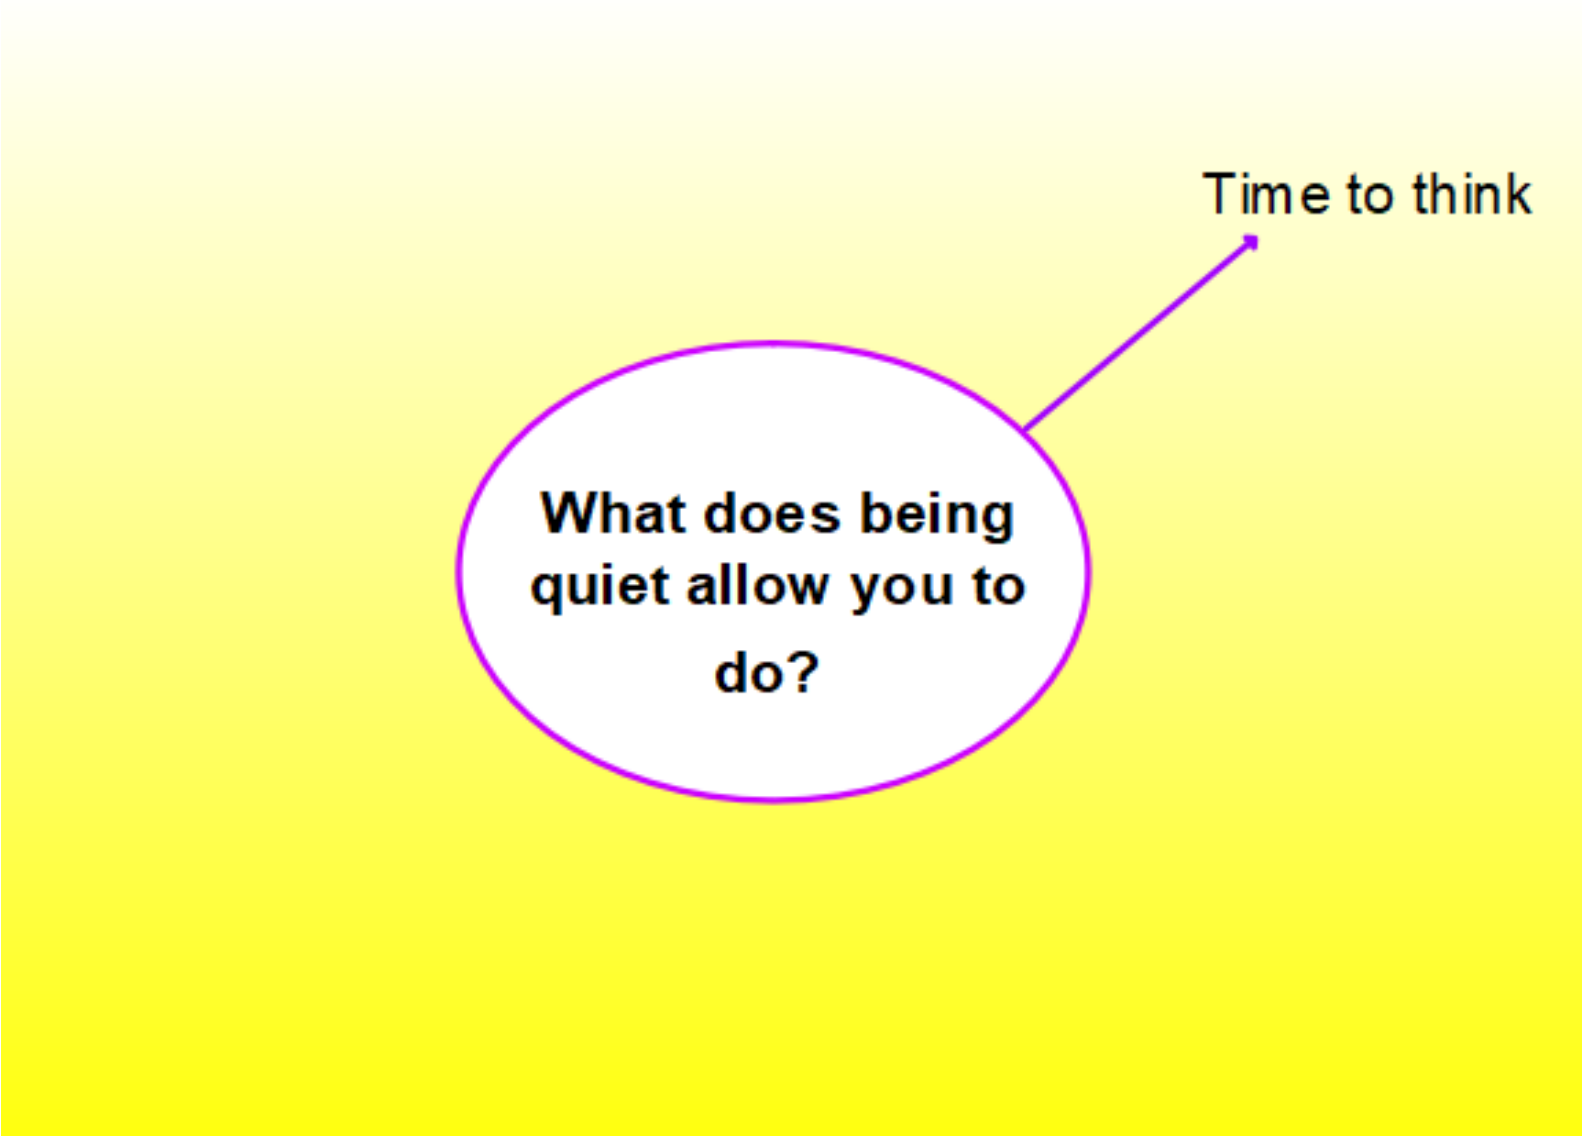

**What situations is
it important to be
quiet in?**

**What does being
quiet allow you to
do?**

Time to think

Why is it important to be silent in a library?

Why is it important to be silent in a place of worship?

Why is it important to be silent in a hospital?

LO: To understand why silence is important.

Your Task:

You are going to write down all the different places where you need to be quiet and why.

e.g.

It is important to be silent in a place of worship because you need to show respect. When someone is reading or praying it is important that you are listening carefully.
