L.O: To compose sentences to describe a character.

The police have learned about the Wolf's crime and want to catch him as soon as possible and put him in prison to protect everyone!

We need to make a wanted poster to help the police catch the right person.

Think back to the adjectives that you generated in the last lesson.

Can you complete the A-Z analyser and record an adjective for every letter of the alphabet?

Your Task:

In this lesson, you will be using the adjectives that you generated in the last lesson to create a wanted poster to help the Police catch the Wolf.

Success Criteria:

- I can demarcate my sentences with a capital letter and a full stop.
- I can include adjectives to describe what a character looks like and what they are wearing.
