Nursery

Week Beginning: 25th May 2020

This week we have planned activities for Eid as well as number activities for you to try at home.We would love to see what you have been up to. Please send photos to nursery@rgntpark.bham.sch.uk we hope you are all well and staying safe and wish you all Eid Mubarak!

This is a suggested plan as it can help your child to have a routine. Please don't feel that you need to do all the suggested activities, be guided by your child and support them to learn through their play. Try and keep bedtime and mealtimes at the normal time and get up early in the morning as this would also help your child.

8.30-9.00 Breakfast and story time

9.00-9.30 Physical activity- Andy's Wild Workouts, Series 1:1 Under the Sea on BBC iplayer or search Joe Wicks family PE lesson. (These are taking place at 9.00am every morning) you can also watch Dinosaur Stomp on Youtube or Baby Shark Dino and encourage your child to copy the actions. (We would love to see their dances you can record these and send them to us at Nursery@rgntpark.bham.sch.uk)

9.30-11.00 Learning through play (see below for suggestions of activities you could do with your child)

11.00-12.00 Outdoor play (see below for suggestions of activities you could do with your child)

12.00-1.30 Lunchtime

Can your child help you prepare lunch for example can you support them to chop vegetables? Can they set the table and count how many forks, knifes etc they will need? After lunch can your child help you wash the dishes and put things away. They will love the responsibility of helping you. They could also help you with other household jobs like dusting, folding washing, putting clothes away, pairing socks etc.

1.30-2.00 Sing songs and rhyme of the week and practice counting to 10-(see ideas below)

2.00-3.30 Learning through play (see below for suggestions of activities you could do with your child)

3.30-4.30 Family walk around the local area (see ideas below)

4.30-5.30 Dinner time- Can your child help you prepare for dinner?

5.30-6.00 Cuddle up for a story with someone in your family

Learning through play ideas	Outdoor learning ideas including family walk
<u>Number activities</u> Collect some leaves on your walk. Can you support your child to write numbers on the leaves. Begin with numbers 1-5 and if your child recognises these also do numbers 6-10. Can you use pegs from the washing line and ask your child to put the right amount of pegs onto the leaves. This will help them develop lots of different skills.  Could you make your own ice creams using different coloured paper or scrap paper/magazines from your home. Can you support your child to put a different amount of scoops on the cones. Can you help them with counting the scoops and recognising the numbers.	. Play the Guess and Jump game. (see home Learning Page for instructions) Collect leaves and objects like pine cones on your walk to use for your number activities. One idea could be creating this number line below using pine cones.  Talk to your children on your walk about how the weather has changed. It has become much warmer. Can they talk about this. Can they tell you what people wear in the summer? Why do they do this? Why is it important to wear sun cream, sunhats etc?

Do you have any spare cake cases or a cake baking tray? Can your child use cereal, pasta (any objects) to match an amount of objects to the correct number? Can they count to ten confidently and recognise the numbers? Again only focus on 1-5 first and 6-10 once they are confident with numbers 1-5.

Write some numbers on cards for your child. Together put these numbers in order to make your own number line. Can your child then get this many socks/shoes/pencils etc and put the correct amount of objects next to a number.You could do this outside too.

Talk to your child about the flowers in your garden or local area. What colours can you see?

Continue to support your child with big mark making. Can you do some painting outside.
You can use water to paint the fences?
Can you do some numbers with your paint brush?
Can you make some small shapes or pictures with your paint brush?
Can your child spot any shapes on walks?
Talk to your child about shapes of everyday objects such as a clock, the shape of the TV or the table.

Save your plastic bottles. Can you decorate them and write numbers on them. Can your child practice putting the correct amount of objects into the bottles?

Use salt/flour (whatever you have spare in your kitchen) and use a cooking tray, can your child practice tracing the numbers to help them with their recognition.

Can you make circles of different shapes and match them to the correct place. Can your child count how many circles they have?

Could you use paint and ear buds/sticks/feathers to paint the numbers. Your child would love this activity.

<u>Eid activities</u>

Many of you will be celebrating Eid. Could you make some decorations for your home. There are some pictures of ideas below.

Could you make some Eid cards for neighbours and family which you could post to them whilst still social distancing. If you are not celebrating Eid perhaps you could make some cards for your friends or a card to say hello to someone in your family. This would be good way for child to practice writing their name aswell.

You could help your child to understand the 5 pillars of Islam by doing a hand print and using this to help them remember. See the photo below.

Internet links and additional printable resources

Songs to sing together

See Home Learning page.	Rhyme:

Ten in a Bed

There were ten in a bed
And the little one said
'Roll over, roll over'
So they all rolled over
And one fell out

There were nine in a bed
And the little one said
'Roll over, roll over'
So they all rolled over
And one fell out

There were eight in a bed
And the little one said
'Roll over, roll over'
So they all rolled over
And one fell out

There were seven in a bed
And the little one said
'Roll over, roll over'
So they all rolled over
And one fell out

There were six in a bed
And the little one said
'Roll over, roll over'
So they all rolled over
And one fell out

There were five in a bed
And the little one said
'Roll over, roll over'
So they all rolled over
And one fell out

There were four in a bed
And the little one said
'Roll over, roll over'
So they all rolled over
And one fell out

There were three in a bed
And the little one said
'Roll over, roll over'
So they all rolled over
And one fell out

There were two in a bed
And the little one said
'Roll over, roll over'
So they all rolled over
And one fell out

There was one in a bed
And the little one said
'Good night!'

	You can also continue with these rhymes: This is the way we wash our hands, Wash our hands, Wash our hands This is the way we wash our hands To STOP Corona virus Can you make your own musical bag with your child. For example draw a star for ‘twinkle twinkle little star’ or a sheep for ‘baa baa black sheep.’ Can your child pull a picture out of the bag and sing a song related to the picture?

Other information
Phonics: You can access phonics play with your child and do some phase 1 games (link on Home learning page) You will need the following username and password! Username: march20 Password: home Watch all your teachers wish you an Eid Mubarak! https://www.rgntpark.bham.sch.uk/school-videos/ **Would you rather challenge! See Home Learning Page**

Ask your child the would you rather questions on the Home Learning Page. Encourage them to give reasons for their answer, this will encourage them to think critically. We would love to see wat the children say they would rather be/do. You can write their responses and send them to us using the nursery email address. You can even ask your child to ‘write’ their responses and then ask them what they have written and then scribe o their writing for us to see.
