Primary Maths activities and thinking mathematically <https://nrich.maths.org/primary>

If you visit the supermarket, try to work out the cost of all the shopping. Will you get any change? How much?

Symmetry in nature- take a camera or tablet outside and explore symmetry in the environment around you. Photograph examples of leaves, shapes, creatures and other objects around you.

Summer activities Year 3 and 4

Writing

Keep a diary of activities and things that you do over the Summer. Dear diary...

Try practising the year 3 and 4 spellings and have a go at the word searches.

Write poem about some of your experiences and places you visit. How did it make you feel?

Start to practise your joined up handwriting.

Explore

Have a go at these different challenges!
