Now watch these two video clips: https://www.bbc.co.uk/teach/class-clips-video/religious-education-ks2-my-life-my-religion-muslim-pilgrimage-haji/zndfcqt https://www.bbc.co.uk/teach/class-clips-video/religious-studies-ks2-my-life-my-religion-hinduism-pilgrimage-hinduism/z4ghf4j Task: Complete the activities saved in Home Learning, R.E, 14.7.20 about what you have learnt and how a special journey (pilgrimage) is different to an ordinary journey. PSHE- Road safety Today you will learn about road safety and how to keep safe from dangers on the road. Read the power point saved in Home Learning, PSHE, 14.7.20. Task Create a poster on the template about how to stay safe on the road.

							
Wednesday	Joe Wicks Daily Challenge https://www.youtube.com/watch?v=4wzoy_J3I_c 	SPAG Complete the SPaG mat 1 challenge saved in Home Learning, Writing 15.7.20 Writing activity  Look at the image. What do you think this place is? A museum of delightful things, a factory, a hot-air balloon station? If you were approaching this building, what could you see? Write a description that tells your reader about the approach, the sights and sounds, what is in front of your, above you, in the sky?	Snack/Break 	Warm Up: Multiplication with Formal Written Methods Using the column / vertical method, calculate the following: 1.) $93 \times 5 =$ 2.) $355 \times 6 =$ 3.) $562 \times 4 =$ 4.) $839 \times 3 =$ Main Activity: https://whiterosemaths.com/homelearning/year-4/ Summer Term Week 11 – Lesson 3 	Lunch/break 	Read The London Marathon Challenge and answer the questions- saved in Home Learning, Reading 15.7.20. 	Art  You are going to learn how to draw a bird in flight! You will need a pencil and paper. Draw the lines and shapes lightly to start with- you can use a rubber to rub these out later. Think carefully about the shape of your lines and control the pencil carefully. Saved in Home Learning, Art 15.7.20. Reflection Listen carefully with your eyes closed to any sounds that you can hear. After a minute, open

		Think about how you can use your senses in your description. Think about how you will divide the description into paragraphs. Think carefully about vocabulary you can use. Use online thesaurus to help (if you have access).		Now complete the task sheet in Home Learning Year 4 Maths 15.7.20			your eyes and write down everything that you heard.
Thursday	Joe Wicks Daily Challenge https://www.youtube.com/watch?v=4wzoy_J3I_c 	SPAG Complete the SPaG mat 2 challenge saved in Home Learning, Writing 16.7.20 Writing activity  Imagine you were on a boat in a harbour looking back at an erupting volcano. You are safe but the sights and sounds you can hear are spectacular. • Write a description of what is happening in first person explaining what you saw, heard, and felt as you watched what was happening. I saw, I felt... • Think about the stages of the volcano – rumbling and smoking, the eruption, the lava flow and ash cloud... • Use fronted adverbials to introduce each stage e.g. In the beginning, suddenly, within minutes, after the first signs of eruption etc	Snack/Break 	Warm up: <u>Use Inverse Operations to Check Calculations</u> Use the inverse operation to check the given answer to each each question. 1.) $23 + 14 = 37$ 2.) $67 - 19 = 48$ 3.) $12 \times 10 = 120$ 4.) $72 \div 9 = 8$ Main Activity: https://whiterosemaths.com/homelearning/year-4/ Summer Term Week11 – Lesson 4 Lesson 4 - Quadrilaterals  Now complete the task sheet in Year 4 Home Learning Year 4 Maths 16.7.20	Lunch /break 	Read Pet Care of a Bearded Dragon and answer the questions- saved in Home Learning, Reading 16.7.20.  Did You Know? Bearded dragons are diurnal which means they are active during the day.	DT- Design skills https://www.bbc.co.uk/bitesize/articles/z7nkip3  Today you are going to learn about different design skills that you can use. Activity Choose a product from your house and think carefully about its design as you produce it using each of the design skills mentioned. You will need a pencil, paper, ruler, and, if building a model, some materials from around the house and glue or tape. 1. Start with a freehand sketch, by hand without measurements. 2. Add annotation to this of materials and parts. 3. Build this out into a formal drawing, using a ruler and measurements. 4. You can then try and draw this as an oblique projection if you have oblique grid paper, or you can print and use the worksheet attached. 5. To go even further, you can then use these drawings to build a model.
Friday	Joe Wicks Daily Challenge	SPaG- Synonym swap!		Warm up:	Lunch	Listen to Elevenses	Geography

https://www.youtube.com/watch?v=4wzoy_J3I_c

The best writers use the best verbs!
Have a look at these boring verbs below:
walk, said, look, went, took, got

Can you think of better verbs that mean the same thing?

Writing activity

Write a set of instructions so that everyone in your family knows how to play your favourite game.

This could be a board game, a computer game or a game you play in the garden. What do you need for this game? Make this clear.

Write clear steps that everyone can follow with appropriate verbs and adverbs.

Challenge
Make a poster to show the benefits and positive features of your game. Use persuasive features to encourage people to play your game with you. Use the persuasive words mat to help you saved in Home Learning, Writing, 17.7.20

Round to the Nearest 10, 100 & 1000
Round the following numbers to the nearest **10**, **100** and **1000**.

	Nearest 10	Nearest 100	Nearest 1000
1.) 534			
2.) 2555			
3.) 7			
4.) 3999			

Main activity: challenges

Challenge 1
30 cokes are arranged in an array. Some of the cokes are hidden.

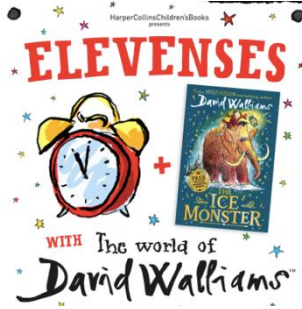

How many cokes are hidden?

Work through the different challenges.
Worksheet saved in Home Learning Maths 17.7.20

<https://www.worldofdavidwalliams.com/elevenses/>

The world of David Walliams.

Learn about rivers, including what they are and how they are formed.

This lesson includes:
two short films on rivers

two activities to build your knowledge

<https://www.bbc.co.uk/bitesize/articles/zc3gp4j>

Activity 2 saved in Home Learning, Topic 17.7.20

Music

In this lesson learn about how to make music with objects you can find around your house or garden.

<https://www.bbc.co.uk/bitesize/articles/zhbtjsg>

Activity 1- Make your own musical instrument using found objects
Using what you have learnt about found sounds make your own musical instrument.
You could make a Jar Xylophone or a different instrument - the possibilities are endless!

Activity 2-
Watch this clip to learn about rhythm and pulse. Then, using your new musical instrument, make a piece of music. Try to create a pulse. A pulse is a **steady beat** like a ticking clock or your heartbeat. Then make a rhythm. A rhythm is a pattern of **long and short sounds**.
