

Parents' Guide to Accelerated Maths

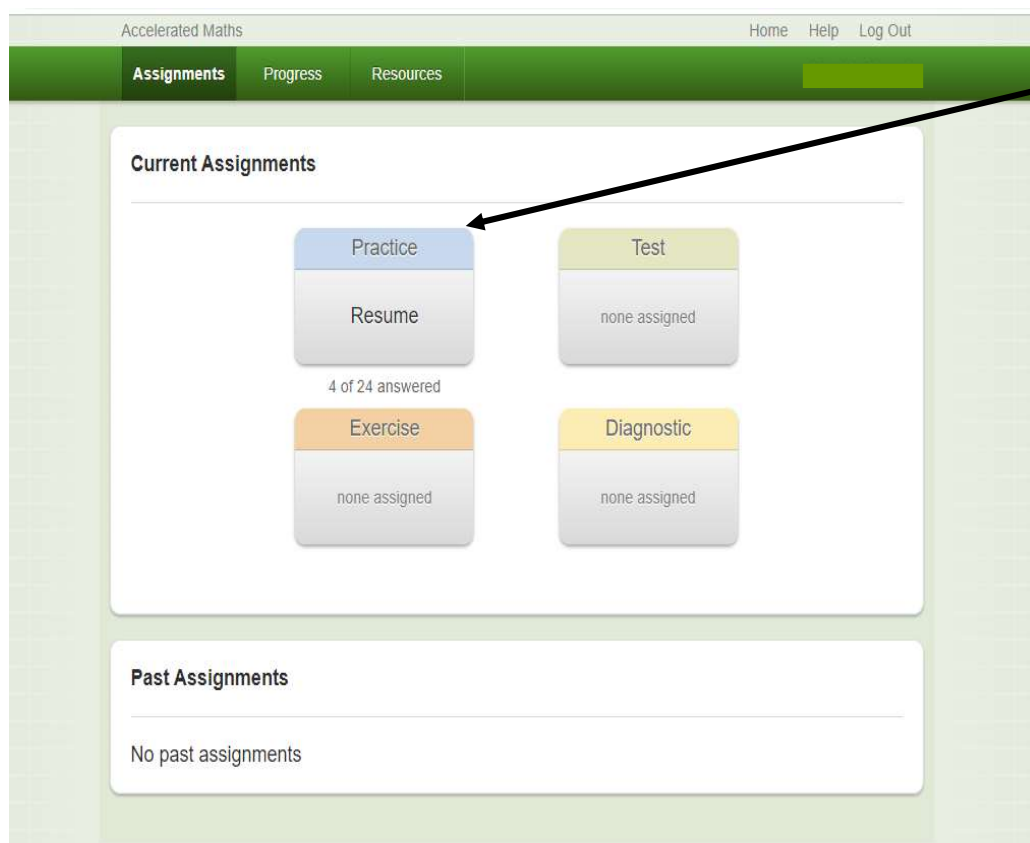

1. Login to Accelerated Reader using your login details.

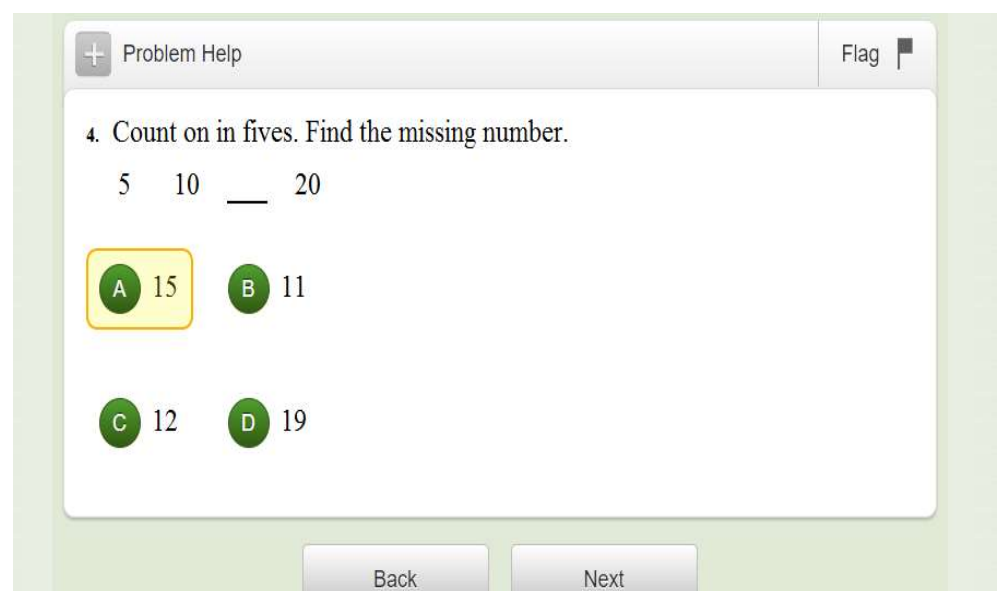

2. Click on the Green Accelerated Maths icon to access your work.

3. Your child will see this screen. The need to start off with the Practice section first.

4. Your child will work through a series of questions. Once they have completed the questions they submit their answers which will be marked automatically.

Your child's class teacher will be checking your child's progress on a regular basis and they will add more work when needed. If you have any questions, please contact your child's class teacher.
