Story starter

The tree was all that remained. A solitary figure, it stood there in defiance of the destruction surrounding it. The bark had begun to peel away, one piece at a time, joining the wreckage of other trees that lay scattered across the scorched earth.

This tree was different to the other trees. It contained magic. It contained hope...

Picture it

Let's say you have just walked through the open portal and into the world inside the tree.

Can you describe what you can see? Remember to use adjectives. If you feel confident, you might include similes.
