You will be focusing on the challenge and resolution part of the story, linking to the Iron Man story. Use the story starter below to create your story.

Remember when writing your own challenge and resolution try and include some of the following:

- **Fronted adverbials of time, manner and place**

E.g. In the distance, Suddenly, Completely exhausted,

- **Speech**

E.g. "You have a challenge for me!" laughed the space-dragon-spider-alien.

- **Rich and varied vocabulary**

E.g. strong, mysterious Iron Man

Use this story starter and create your story:

In the distance, the Iron Man could see a scaly, dark figure resting upon the rocks. Was this the creature everyone was talking about? Cautiously, the Iron Man approached the space-dragon-spider-alien.

Good Luck!
