ILLEGAL PARKING OF CARS ON CAMELOT WAY AND SURROUNDING ROADS

Dear parents, residents and community.

The parking around Camelot Way and surrounding areas has become a safety concern as well as an environmental health issue to the parents and children using the area. There are damaged cars parked on the pavements and car parts lying around leaving no space for parents with prams or wheelchairs and children to use the footpath, forcing them to walk in the road.

We are holding a petition on parents evening in school 10th July and on Friday 12th July on Dixon road, which we will be presenting to the council (Raqeeb Aziz). We are getting local residents, schools and businesses within the area involved.

Please help us by signing the petition, and give your signature to make a difference and a change for the better.

If anyone would like to actively take part in helping with this issue, please contact Mrs S Khan (parent support advisor)
