Wednesday starter activity:

9 + 1 =

5 + 3 =

10 + 2 =

12 + 3 =

Add together 8 and 6.

Wednesday main activity:

Recognising Coins

I can add coins to make a value.

We have been learning about the value of coins.

Which coins make these amounts when they are added together? See if you can find them in your home and do some coin rubbing with a wax crayon.

Wednesday Challenge:

Recognising Coins

I can add coins to make a value.

We have been learning about the value of coins.

Which coins make these amounts when added together? Write down as many different ways as you can think of.
