Friday main activity:

cake slice = 20p	Banana = 5p	cereal box = 10p	Strawberry = 2p

Nadia bought 3 strawberries. How much did she spend?

2p + 2p + 2p =

Zack bought a banana, a cake slice and a strawberry. How much did he spend?

Sarah went to the shop and bought two bananas and a cereal box. How much did it cost altogether?
