

Responsible Computer Use

When I am using the computer or other technologies, I want to feel safe all the time.

- I will ask permission before using the computer or Ipad.
- I will only use my own login name and password.
- I will only look at my own files.
- I will only use websites which my teacher has approved.
- I will not share my personal information on the Internet.
- I will not upload photos of myself online.
- I will only email people I know in school or who my teacher has approved.
- The messages I send will be polite and sensible.
- I will ask for permission before I print anything.
- If I see anything I am unhappy with or I receive messages I do not like, I will tell a teacher straightaway.
- I understand that the school may check my computer files and the Internet sites I visit.
- I understand that if I break these rules, I may not be allowed to use the Internet, computers or I pads.
