PSHE 2020 Time Travelling Postcards Even as recently as thirty years ago, people weren't as aware of the severity of issues we've read about today. Some people even thought it was just a normal part of life. Write a postcard to a young student, growing up in the 1980s. Give them the most important life advice you can in relation to today's lesson. - they probably didn't learn about it in their school. Let them know about how we feel about today's topic in the modern day and how attitudes will change. Examples: Global warming, The internet
