If you can use this website to create your own mythical setting then do so, if not draw it on a piece of paper:

http://teacher.scholastic.com/writewit/mff/mythmachine_pop.htm

When you have drawn your picture, write a story about the hero and the mythical monster.

Where is it set? Describe the setting

When? What year?

Who are the character? Hero and monster?

What is the problem?

Who wins?
