Remembering Roots

Do we need to have pictures in order to remember special people, places and events?

Lesson 1

LO: To explore how we remember special people, places and events

Can you rememeber more about a person or place than you can see in the photograph?

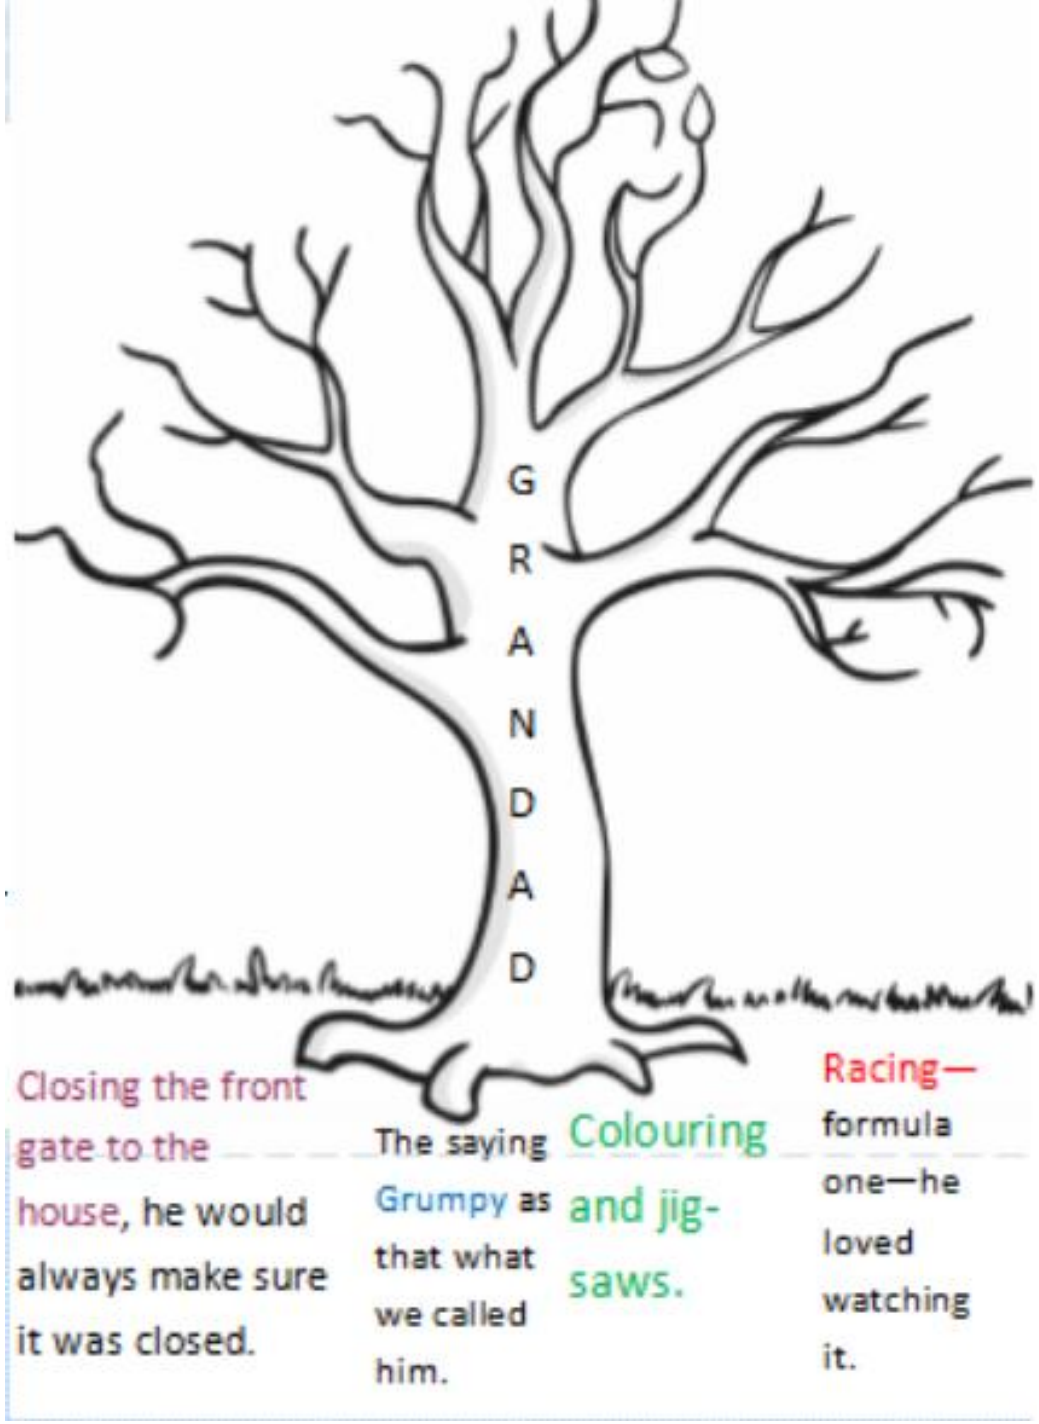

How do you remember someone? Just from a picture?

What other ways are there?

Remembrance Tree

Draw a tree on your paper.

Write the person or place that you are remembering inside your tree.

Outside the tree write about the things that remind you about that person or place.

Look at this example.

Review:
How do you remember special people, places and events?
