Lesson 3

LO: To explore the act of remembering through celebration.

Meals are used to remember and celebrate special events in many religious calendars.

E.g. Diwali, Christmas, Eid and Passover

- Passover is an annual celebration of God’s rescue of the Jewish people from slavery in Egypt. Jesus celebrated a Passover meal with his disciples the night before he died.
- This supper on the evening before Jesus died (The Last Supper) was the first Holy Communion/ Eucharist. Taking part in this celebration is one way that Christians remember that Jesus died for them.
- Different groups of Christians view communion differently. Some celebrate communion every day, others once a week, or once/twice a month. Some Christians think that it keeps communion special to only celebrate it once a year.

What is Communion?

Communion is based on a real event, known as the Last Supper. On the night before Jesus died, he had a special meal with his disciples – the Passover meal. They and other Jews ate it every year to celebrate how God saved the Israelites from the Egyptians in the time of Moses to start a new life together in the Promised Land. However during the Last Supper added to the symbolism of the meal to also represent his own suffering and death.
