

Nursery

Week Beginning: 11th January

Our focus this week is on the story 'One Snowy Night'

Email us some photos of your work, we would love to see it!

This is a suggested plan as it can help your child to have a routine. Please don't feel that you need to do all the suggested activities, be guided by your child and support them to learn through their play. Try and keep bedtime and mealtimes at the normal time and get up early in the morning as this would also help your child.

8.30-9.00 Breakfast and story time. Please see link for 'One Snowy Night'

9.00-9.30 Move & Groove Tots <https://www.youtube.com/watch?v=3HsOxANNZVI> please only do this with adult supervision.

9.30-11.00 Learning through play (see below for suggestions of activities you could do with your child)

11.00-12.00 Outdoor play (see below for suggestions of activities you could do with your child)

12.00-1.30 Lunchtime

Can your child help you prepare lunch for example can you support them to chop vegetables or spread butter on bread to make a sandwich? Can they set the table and count how many forks, knives etc they will need? After lunch can your child help you wash the dishes and put things away. They will love the responsibility of helping you. They could also help you with other household jobs like dusting, folding washing, putting clothes away, pairing socks etc.

1.30-2.00 Sing songs and rhyme of the week and practice counting to 10-(see ideas below) and also watch videos from 'Emma the music lady'

2.00-3.30 Learning through play (see below for suggestions of activities you could do with your child)

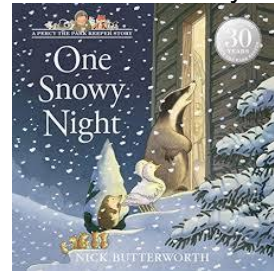

3.30-4.30 Family walk around the local area (see ideas below)

4.30-5.30 Dinner time- Can your child help you prepare for dinner?

5.30-6.00 Cuddle up for a story with someone in your family

You will also be receiving a pack in the post with some additional paper-based resources for your child to complete. Within your pack you will also get a log in for BGFL. We have started to upload some activities for your child to complete with your help. We will continue to upload new activities each week and we will be able to see if your child has completed each activity. We will provide feedback once an activity is completed.

To find the resources log in and click on My Files and then Shared Files and the activities will be there for you!

Learning activities	Outdoor learning ideas including family walk
Listen to the story 'One Snowy Night'  https://www.youtube.com/watch?v=vChCLsf6DEs As you read the story talk about what you can see together. Talk to your child about the characters in the story. Who is Percy? What is the weather like in the story? Can you draw a picture of the different animals in the story? Who is your child's favourite? Can you make a hedgehog? https://www.easypeasyandfun.com/paper-rosette-hedgehog/	Go on a sound walk in your local area or park. Talk to your child about which part of their body they use to hear. Talk to them about the different sounds they can hear on the sound walk for example birds, cars. When you come back from your walk can your child draw all the things they heard on their walk. Maybe use your camera phone to take photos of the things you see. Your child could use the photos to help them draw their pictures. Talk to your child about how the weather has changed on your walk around the local area. What have they noticed? Introduce them to language like frozen, ice, cold, snow, winter, frost. Explain to them about what kind of clothes we have to wear in the winter and why. You might be able to see a frozen lake in your local park.  Practice your child's kicking and throwing skills. You could do this as a family and perhaps take a ball to your local park.

Stories and rhymes

Continue learning the rhymes in your rhyme book and also help your child to learn the one below:

I'm a Little Teapot

I'm a little teapot, short and stout
Here's my handle, here's my spout
When I see the tea-cups, hear me shout
"Tip me up and pour me out".
